### Dear ANDREW ALEXANDER, JR:

Each year, we review your escrow account to make sure the escrow portion of your scheduled mortgage payment covers your property taxes and/or insurance premiums. Increases or decreases in your annual taxes and/or insurance premiums may cause your mortgage payment amount to change. Here are the details of your most recent escrow account review.

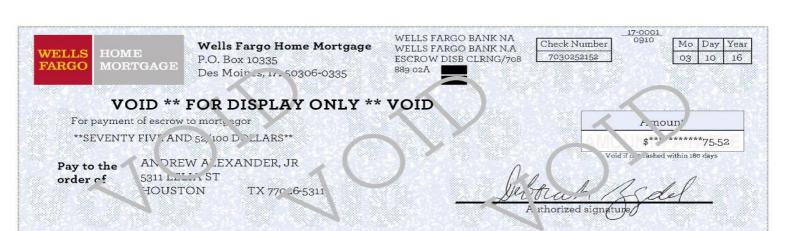

Note: This notice is for informational purposes only and is being provided as a courtesy should you voluntarily decide to make any escrow shortage payment, if applicable. This notice should not be construed as an attempt to collect a debt or a demand for payment contrary to any protection you may have received pursuant to your bankruptcy case.

- 1. If you use one of our automatic payment options, we will adjust your electronic withdrawal(s) to ensure your May 01, 2016 payment is made in full.
- 2. If your current payment includes an amount to cover a previous escrow shortage, this amount will be added. If your current payment includes an adjustment for extra funds you deposited to your escrow account, this amount will be deducted.

You have an escrow account balance overage of \$75.52 for which we have issued the attached check. This check amount reflects a refund based on your escrow account analysis and may be due to smaller than expected tax and/or insurance payments made from your escrow account last year. Please note overage balances are not calculated or refunded based on a calendar year, but on your escrow analysis yearly review schedule.
